

COMMUNITY *Connections*

One of the most rewarding parts of our 25th anniversary celebration has been the opportunity to support local nonprofits that enrich lives throughout the Santa Maria Valley. Our latest \$2,500 donation recipients are: Vietnam Veterans of America Chapter 982, Legion of Marian (pictured), and Oasis Senior Center. Each organization was nominated by our customers and selected through our monthly drawing. Thanks to the continued support of our shareholders and customers, we are able to invest in the community we proudly serve.

Staff (pictured right) enjoy a reception for Santa Maria Sun's 2026 Readers' Poll winners. We are proud to have been named "Best Bank" in Northern Santa Barbara County.

Pictured above is our Milestone Anniversary Celebrant for the third quarter, 2026. Brooke Jensen celebrated her 5-year anniversary in July. We thank her for her dedication to providing 'Santa Maria Style' Service.

CBSM Staff were in good company at the Santa Maria Valley Chamber's Annual Awards Gala (above). Congratulations to all of this years recipients!

It makes us both happy and proud to have our bank name in lights above the Junior Livestock Office at the Santa Barbara County Fair. Just one of the many ways we support the youth in our community.
